UPDATED 3/20/20

Dear patients of Junction Dental,

Due to the outbreak of COVID-19 and following recommended local, state & federal guidelines, Junction Dental will need to limit our services to "Emergency" dental needs only for patients and our community. Please call us 206-935-5522 if you are experiencing a "true" dental emergency involving severe pain, swelling and/or trauma. Appropriate alternative locations to contact are:

- [West Seattle Endodontics](#)
- [Summit Implants & Oral Surgery](#)
- University of Washington
- Harborview Medical Centers
- Nearest emergency hospital.

We will be rescheduling / postponing all "elective" dental services until May 18th per Gov Jay Inslee's executive order. We will then reassess the appropriateness of returning to normal business hours after further updates from state & federal authorities.

We will be contacting patients who were previously scheduled between 4/6/20 and 5/18/20 to reschedule. Our phones will be staffed in the mornings 7-12 / M-Th as a temporary schedule.

Below is a list of helpful resource links for realtime updates regarding Coronavirus:

Our top priority is the safety of you and our co-workers. We are taking extra steps to keep our patients safe with additional cleaning procedures such as:

- Removal of ALL reading materials and toys from lobby
- Removal of ALL blankets, pillows from treatment rooms
- Frequent disinfection of all public surfaces:
 - Door handles, Counters, Pens, etc.
- Additional hand sanitizer available in lobby
- Suspension of direct-contact greeting gestures, handshakes, etc.

In accordance with CDC reports and recommendations, we recommend rescheduling ([206-935-5522](tel:206-935-5522)) your appointments if you are experiencing any acute signs of illness such as:

- Fever greater than 100
- Flu like symptoms
- Cough
- Runny nose

- Nausea/vomiting/diarrhea
- Sore throat
- Muscle ache

Or if you have travelled to or come in contact with anyone from the following countries in the last 14days:

Thank you for entrusting us with your care and we look forward to seeing you soon!

Sincerely,

Dr. Iversen & the Team at Junction Dental
